

SOLE E LUNA PX BIO

ORGANIC, GIN

BIO922

Distilled Dry Gin obtained from 24 organically grown Mediterranean botanicals, subsequently aged to rare quality in small PX sherry barrels for 16 months. Sole e Luna PX Bio is a true rarity dedicated to Gin lovers and, like whisk(e)y, it should be enjoyed neat or with an ice cube and in small sips. It is perfect after a hearty meal as well.

Serving suggestion

Neat at 14° C in a glass for aged distillates.

Size

500ml

Alcohol content

40%
